

An Ultraframe Orangery really is an exciting addition to your home, which will not only provide you with a versatile new living space, but will also add value to your property. How will you use your new room for all seasons? An Ultraframe Orangery makes a stunning kitchen, an inspirational place to work or simply a wonderful space to relax and enjoy time doing nothing at all............

The light, bright and airy interior will add a new dimension to your home and provide a seamless link between your home and garden.

Now for the technology......

Ultraframe offers you a choice of Orangery styles
- each one subtley different externally (the look and fed internally is virtually the same).

Externally one Orangery style features tiered glazing whilst thte other features a flat roof around the perimete

Both Orangery systems features a structural grade aluminium roof capped and clad with low maintenance thermal pvc cappings and claddings.

The careful selection of high performance glazing ensures that the Orangery is a versatile living space which can be used all year round and can be combined with further finishing touches such as underfloor heating to create extra luxuriant comfort. A Ultraframe roof systems feature integrated ventilation as standard so you can create a comfortable interior atmosphere, whatever the weather

Aspire to something uniquely different — enquire about the Ultraframe Orangery today.

Retail installation companies who specify and select Ultraframe's conservatory roof systems are an elite group who can design and install to the highest standards and can take care of any 'red tape' in the form of Planning Permission or Building Regulations.

Examples of typical details

Orangery - Flat roof perimeter

Wealth Warning

Some retailers can provide a similar look but using construction techniques that:-

- Can't meet Building Regulations (assuming they apply)
- Have unproven details that structurally under perform.
- Rely on adjacent brickwork/windows for support instead of structural beams/posts Make sure you only specify the best. Ultraframe - Tried, tested, trusted.

Orangery - Tiered glazing
